

Annuity Open Market Option Request

Application guide

This form is to be used when you wish to exercise the Open Market Option to purchase a lifetime annuity with your pensions savings. James Hay Partnership will pay any pension commencement lump sum (PCLS) and then forward the remaining balance of your pension fund to the annuity provider you have selected.

If, however, you wish the annuity provider to pay the pension commencement lump sum, this will be treated as a transfer of funds, and you should instead read the 'Transferring Away from James Hay Partnership' guide and complete the 'Transfer Discharge Form' attached to it.

The maximum pension commencement lump sum (tax-free cash) available will normally be up to the lower of 25% of the SIPP fund being used, and 25% of the remaining standard lump sum allowance. The pension commencement lump sum has to be taken as a lump sum and cannot be taken monthly.

PLEASE NOTE: For a description of the different SIPP benefit options available to you, please refer to our fact sheet called 'Accessing Your Pension with James Hay Partnership'. Please read this fact sheet before proceeding - it contains important information.

These guides and forms are available on our website at www.jameshay.co.uk, or from the contact details at the end of this section.

If you have more than one SIPP, you should complete a separate form for each SIPP that you wish to use to purchase an annuity.

Please complete this form in BLOCK CAPITALS and return it to: James Hay Partnership, Suite 202 Warner House, 123 Castle Street, Salisbury, SP1 3TB. If you need any help with completing this form, please call your Customer Support Team or our general enquiry number on 03455 212 414.

Pension Wise

Accessing the Government's free and impartial guidance service

Pension Wise is a Government-backed service provided by MoneyHelper that offers people who are invested in defined contribution pension schemes and are approaching retirement free, impartial guidance about their choices. You can receive Pension Wise guidance online, over the phone or face to face.

Pension Wise provides tailored guidance to explain what options you have and help you think about how to make best use of your pension savings. It offers information about the tax implications of different options and other important things you should think about, as well as tips on how to get the best deal, including how to shop around.

Choosing what to do with your pension savings is an important financial decision and it is often possible to get more for your money by shopping around.

You can access Pension Wise on the <u>MoneyHelper website</u> or call either 0800 138 3944 or 0300 330 1003 (from outside the UK +44 20 3733 3495), if you wish to use this service.

Depending on your answers, we will write to you either:

- (1) with tailored risk warnings, giving you 14 days to consider them before proceeding with processing your instructions, or
- (2) to confirm that, given your answers, we will not be issuing any risk warnings, as you appear to have considered the relevant risks, and so we will proceed with processing your instructions.

If you have received advice from a regulated financial adviser and are following this advice and your financial adviser is submitting your instructions by way of confirmation of this, then you do not need to answer the questions in Section 1, as any risks should already have been explained to you as part of that advice. Otherwise, you must answer all of the following questions.

1.	You should consider your state of health and lifestyle (e.g. whether you are a smoker or not) before proceeding with an annuity purchase, as this can affect the level of income you receive. For example, if you are in poor health you could be entitled to a higher level of income. Have you considered your health and lifestyle when deciding what type of annuity to purchase, and the level of income you could receive?	Yes	No	
2.	If you have a spouse, civil partner or dependants, have you considered a joint life annuity to provide for them after your death?	Yes	No	
3.	Over time, the effect of inflation means you can purchase less in the future than you can today with the same amount of money. Have you considered the effect of inflation on the income you will receive from an annuity?	Yes	No	
4.	Annuity providers will not all give you the same level of income. Have you looked at what level of income you could get from different annuity providers, before choosing where to buy your annuity from?	Yes	No	
5.	Have you considered ways of taking money out of your pension other than an annuity e.g. income drawdown?	Yes	No	
	If you are not sure what other options are available to you, you can find more information in the 'Your pension: your choices' leaflet available from www.jameshay.co.uk.			
6.	Do you have income from other sources (i.e. outside of the income from an annuity) that is sufficient to currently provide you with your desired standard of living?	Yes	No	
7.	Will your annuity income be your sole or main source of income in retirement?	Yes	No	
8.	Are you aware that your annuity income will be paid after deduction of income tax, and may affect your personal tax allowance (the amount you can receive each year before paying income tax)?	Yes	No	
9.	Are you aware that if you put the money you take out of your pension in a bank, or buy other investments with it, you may have to pay tax on any growth?	Yes	No	
10.	Are you aware that once money has been taken out of your pension it becomes part of your estate for inheritance tax purposes?	Yes	No	
11.	Do you receive any means tested benefits from the Government?	Yes	No	
12.	Do you know that if you owe money to a creditor (e.g. via a personal loan) they cannot force you to take money out of your pension to pay off any money you owe to them?	Yes	No	
13.	Fraudsters increasingly target people to move their pension fund, and also once they have taken money out of their pension. You need to be careful when deciding where to invest your pension fund and what you do with any money taken from it, as you could lose some or all of your money if you are the victim of a scam. Please read the FCA's Pension Scams leaflet and visit their website at www.fca.org.uk/scamsmart for further information. Are you aware that pension and investment scams exist, and what to look out for?	Yes	No	
14.	Are you aware that once your application has been accepted by an annuity provider, you may not be able to change your mind in the future about the income you receive, or move your annuity to another provider?	Yes	No
