

Important: Platform upgrade

We'll be upgrading our services as part of our investment in our new platform. We're targeting the weekend of 7 and 8 February 2026 for the upgrade to take place. You'll be able to access the new Nucleus platform from Monday 9 February. This means that our products will change when they move on to new technology, under our Nucleus brand.

Please note that the key literature for the product (including the Terms and Conditions, Charges Schedule, Permitted Investments List and Key Features Document) is therefore only applicable until the upgrade takes place. If you already have a product with us, we'll be writing to you to keep you updated.

To help you understand the features and benefits of the products when on our new platform, we've attached copies of the new literature to the end of each document, which you'll find below.

We've also included a guide that explains how our normal service will be affected in the days before the upgrade – please take the time to read it. It covers:

- **Restricted trading period** - To ensure the upgrade happens smoothly, you and your adviser won't be able to do certain things over this time. Some key processes, including trading and withdrawals, will be temporarily restricted. You should check these dates so you can plan accordingly for this short period.
- **Making payments into your product** - We're making some changes to Direct Debits and standing orders – you might need to take action, please check.
- **Getting started on the new platform** - How to register for a Nucleus Platform online account, and login for the first time.

For more information on the upgrade, including a summary of the key changes to these products, please visit our support page at nucleusfinancial.com/upgrade-support, or contact us on 03455 212 414.

You should also discuss what this means for you with your financial adviser. If you don't have an adviser and would like to speak to one, please visit moneyhelper.org.uk.

Your product reference number

We'll confirm your new reference number(s) in our **Welcome to the Nucleus Platform** letter, which you'll receive in **February**, after the upgrade takes place. You should use this as the reference for future payments to your products, but you won't need it to access the new platform.

Temporary changes to our service – deadline dates

In the run up to the upgrade, to ensure it goes smoothly there will be some temporary changes to our service which we hope won't inconvenience you. You won't be able to do certain things over this period, so please carefully note the dates by which we'll need to receive your instructions.

Please note, any requests received after the dates indicated on pages 4 and 5 of this booklet cannot be accepted. You'll need to resubmit them on the new Nucleus Platform, from **9 February 2026**, after the upgrade takes place.

The upgrade will take place over the weekend of **7 and 8 February 2026**, during which our online service won't be available. It will be restored on the following Monday 9 February. We'll endeavour to resume normal service on this day, but please bear with us as our new processes and systems embed.

Downloading documents

Data on your account activity for the last five years will still be available online **after the upgrade**.

If you want to keep a record of data before that time, please log on to James Hay Online **before the upgrade and download it.**

Temporary changes to our service – deadline dates continued

Please note, if you make a new Self-Invested Personal Pension transfer-in request prior to the upgrade, we may not be able to fully complete the transfer under our current process. We can still continue with it, however, these assets will not show in your account on the new platform, or be available to trade or take income from, until the whole transfer has completed. In this event, we'll be in touch with you or your adviser to discuss your options and how you would like to proceed.

The new Nucleus Platform will allow you to access your portfolio and check your investments at any time. You'll also be able to contact us digitally via secure message.

Accessing our improved, modern service is easy – the details below will help you get started after the upgrade. If you select the digital communications option when you register, you'll hear from us by email rather than by post, so you get your updates quicker and save paper.

Following the upgrade, your financial adviser (if you have one) will be able to register for you to have a Nucleus Platform online account. In which case, you'll receive an email from us with a link to complete your registration. The link will be valid for five days, after which it will expire. You can also request to set up an online account yourself.

To register after the upgrade:

If you don't currently have access to James Hay Online:

2. Select the **Platform logins** button
3. Select the New Nucleus Platform and then **Register for online access**.

Once you receive this letter, return to the new Nucleus Platform registration page and select **I've started the registration process and received a code to complete my registration**. You'll be guided through the process from there.

Please note, during the registration process you'll be prompted to enter a password. Your username will be displayed on screen at this time. Please keep a note of this as you'll need it to access your account. You'll also get a reminder email and letter with your username in the post, once you register.

You'll receive a new username when you first register for the Nucleus Platform.

Please make a note of this. We'll send your username in an email and letter once you register.

Please note, if you currently access your investments via your financial advisers' own portal, this arrangement will remain the same. We're working closely with advisers to ensure they can answer any questions our customers may have about these changes.

If you currently access James Hay Online:

If you have an active account (i.e. you've used it within the last 12 months) **log into it as usual at jameshay.co.uk/portal using your existing login details**. You'll then be guided through the process to register for the Nucleus Platform.

Changes to Direct Debits and standing orders

Direct Debits

As part of the platform upgrade, we're making some changes to Direct Debits.

The only change you'll notice is that our name and the reference number you see on your bank/building society statement will be different after the upgrade.

Our name on your bank/building society statement:

For ISA, GIA and Offshore Bonds our name will appear on your statement as:
Nucleus Financial Services Limited

For SIPPs our name will appear on your statement as:
James Hay Pension Trustees Limited

Your payments

We'll automatically set up any **active** Direct Debits for you on the new platform.

Please note, **if you have a Direct Debit due to be collected between 9-20 February 2026**, it will be collected on **Tuesday 24 February**. This change applies for February only.

Where we're able to set up your Direct Debit for you, your bank may also notify you independently.

You may see a comment on your bank/building society statement advising you of the final payment under the old name/reference and the first payment under the new name/reference.

If a third party makes Direct Debit payments into your product, please let them know that their payments will be moved to our new bank account (as above) from **Monday 9 February 2026**.

You'll continue to enjoy the benefits of the Direct Debit Guarantee, as detailed on the following page.

If you have any questions about this change, please contact our **Customer Service Centre** on **03455 212 414** or via email at **ask@nucleusfinancial.com**

The Direct Debit Guarantee

- This Guarantee is offered by all banks and building societies that accept instructions to pay Direct Debits.
- If there are any changes to the amount, date or frequency of your Direct Debit, Nucleus will notify you 10 working days in advance of your account being debited or as otherwise agreed. If you request Nucleus to collect a payment, confirmation of the amount and date will be given to you at the time of the request.
- If an error is made in the payment of your Direct Debit, by Nucleus or your bank or building society, you are entitled to a full and immediate refund of the amount paid from your bank or building society.
- If you receive a refund you are not entitled to, you must pay it back when Nucleus asks you to.
- You can also cancel a Direct Debit at any time by simply contacting your bank or building society. Written confirmation may be required. Please also notify us.

Standing orders

We'll no longer accept standing orders, except where related to commercial property investments (such as rent and service charge payments). Please contact your bank to cancel any existing standing orders which aren't property related. Then contact your adviser, or us, to set up a new Direct Debit **before** the upgrade.

This change will also affect employer and other third party contributions made by standing order, so please make them aware too if appropriate, and ask them to contact us.

If you do not set-up a Direct Debit, there will be a grace period of three months following the upgrade but after that your standing order will be returned to your bank and will not be invested with us.

If you change your existing standing order payments to Direct Debits before the upgrade, we'll automatically set up your Direct Debits for you on the new platform.

Once your product has been upgraded, you'll still be able to set up a Direct Debit Instruction online as part of the **Payments in** process on the Nucleus Platform.

Self-managed commercial property investments

We're writing to tenants to provide them with details of the new bank account for any payments following the upgrade (such as rent, service charge, and insurance). They'll need to update the bank account details for any such payments made after this time.

If your property is managed by our outsourced provider CBRE, payments will continue to be collected by them, and there will be no change.

- As we are not regulated to provide advice, you should read and discuss this information with your Financial Conduct Authority (FCA) regulated financial adviser so they can help you choose the right investments to suit your circumstances.
- All investment transactions must be carried out on a commercial basis. Please note that we reserve the right to decline making an investment if the provider will not provide us with suitable monthly reconciliation data, or for any other reason we deem appropriate.
- The information in this document is based on our current policies, which may be subject to change in the future.

You should also read:

- **The Modular iPlan Technical Guide:** A guide which explains how the investment modules mentioned in this document work and how investments can be purchased.
- **How your Money and Investments are held within James Hay Products:** This document provides details of how your assets are held, as well as the protections provided under UK regulations .

Please ensure that you always access our documents from our website jameshay.co.uk in order to access the most up-to-date information.

What investments can I make in the Modular GIA?

Any investment types detailed in this document that are traded on a stock exchange must be purchased and held by an investment manager/stockbroker on behalf of your product. If you are unsure which investment types this applies to, please contact us.

The Modular GIA is split into three investment modules:

Core investments

- Unit trusts and OEICs held in the Investment Centre
- Investments traded via a panel stockbroker
- Any cash held in the GIA bank account

Specialist investments module

- Specialist Investments

Please note that **new** Specialist Investments purchases are not allowed, only top-ups. Please see the 'Investments allowed under certain circumstances' section for details.

Whole of Market module

- Investments held by an investment manager/stockbroker not on our panel
- Deposit accounts held with an investment manager
- Investment grade gold bullion
- Insurance company managed funds and unit linked funds
- Venture Capital Trusts (VCTs)

Please note that these types of investments may require you to be following financial advice in order to purchase them. Please see the Complex Investments section below for more information.

- OEICs, unit trusts and units/shares in Collective Investment Schemes not held on the Investment Centre
- Structured products
- Managed portfolios of collective investments

Please check the investment definitions section of this document to help you and your adviser to consider which of these investment types would be suitable for you.

Non-permitted investments

Please note that this list is not exhaustive and does not cover all non-permissible investment types for the Modular GIA. If you are unsure about the permissibility of a certain investment, please contact us.

- Direct purchase of residential property (UK or overseas) or overseas commercial property
 - Direct purchase of tangible, moveable property (such as art or antiques)
 - Indirect investment in tangible or residential property with a majority shareholding/control

Investments allowed under certain circumstances

If you already hold one of these types of investments in your Modular GIA you may be able to make additional investments (top ups) into the same investment. This would be allowed subject to our review and requirements in place at the time the top up investment is requested.

New investments (other than top ups) are no longer permitted into these types of specialist investments.

- Non-Mainstream Pooled Investments (NMPIs) including Unregulated Collective Investment Schemes (including Overseas UCIS) and similar vehicles
- Shares in unquoted private companies (both UK and overseas)

If you wish to top up an existing specialist investment, please read our Specialist Investments (Non-Standard Investments) Guide, available from our website at jameshay.co.uk.

Complex Products

We will only allow you to invest in Complex Products if you have received advice from a regulated financial adviser in respect of the proposed investment.

Under regulations, there is no definition of Complex Products. However, the regulations define Non-Complex Products as follows:

- Units/shares in a UCITS qualifying Collective Investment Scheme;
- Shares, bonds and other forms of securitised debt admitted to trading on a trading venue;
- Structured deposits;
- Money market instruments; and
- Other products that meet certain criteria, including:
 - having frequent opportunities to trade at publicly available prices,
 - do not involve potential liability that exceeds the original investment,
 - do not include exit charges that have the effect of making the investment illiquid, and
 - where adequate comprehensive information on the investment is publicly available and likely to be readily understood by the average retail client.

Complex Products are therefore anything that is outside of this definition of Non-Complex products. Broadly speaking, Complex Products are investments involving derivatives or where the opportunity to sell is infrequent.

If you are investing without having received financial advice and are unsure if your proposed investment is a Complex Product, please ask the investment provider.

Complex Products

Some of these investment types could be Complex Products. Under regulations, there is no definition of Complex Products, though these can typically be investments involving:

- any potential customer liability that exceeds the cost of the investment
- the right to materially change the nature or risk of the investment or payout value
- derivatives or a structure which makes it difficult for the customer to understand
- disproportionate exit charges that could have the effect of making the investment illiquid or where the opportunity to sell is infrequent.

We will only allow you to invest in Complex Products if you have received regulated financial advice in respect of the proposed investment. If you are unsure if a proposed investment is a Complex Product, please speak directly to the investment provider.
