TRADES PLACED WITHOUT FINANCIAL ADVICE

Target market

Before deciding to invest, you should consider the fund manager's target market for your chosen fund and whether your requirements are in accordance with this. This can be obtained through our website www.jameshay.co.uk, through our secure online service James Hay Online or by contacting the fund manager directly. James Hay will not assess whether you meet the fund manager's target market and therefore whether the fund is appropriate for your needs - you need to consider this yourself.

TRADES PLACED WITH FINANCIAL ADVICE

Target market

As part of the process of providing advice to you, your financial adviser will consider the fund manager's target market and whether your requirements meet this when making their recommendation to you. James Hay will not make any assessment of whether you meet the target market and therefore whether the fund is appropriate for your needs.
