

# Adviser Charges Form

(For iSIPP only)

### Application guide

Please only complete this form if you have appointed a Financial Conduct Authority (FCA) regulated financial adviser who is going to receive adviser charges from your SIPP. Important information for your financial adviser can be found of page 3.

This form enables you to authorise the payment of automated initial and ongoing adviser charges, or a one-off adviser charge for which your financial adviser will invoice us.

Please do not edit this form. If a request cannot be accommodated using the options available, please use Section 5 for individual charges, to avoid the instruction being rejected.

Please complete this form in BLOCK CAPITALS and return it to: James Hay, Suite 202 Warner House, 123 Castle Street, Salisbury, SP1 3TB.

If you require any assistance, please call your Customer Support Team or our general enquiry number 03455 212 414.

### Notes to financial adviser

If we are currently paying adviser charges to your firm, we will already hold your bank details on file. To set up bank details or amend those held, please send us a signed and dated instruction on company headed paper, providing the sort code, account number and account name.

This agreement will replace any existing agreements in place for this client.

#### **INVOICES**

Any invoice submitted must be on your company headed paper and addressed to: James Hay, Suite 202 Warner House, 123 Castle Street, Salisbury, SP1 3TB. It must provide details of the work carried out, confirm a monetary amount, and include a VAT number (if applicable). VAT can only be accommodated on invoiced charges.

Invoiced payments will not appear on any adviser charges statements. Confirmation of the payment will appear as a debit transaction on the SIPP bank account, which is viewable through our online service James Hay Online. If your firm is part of a network, please check with your payment department if they require a copy of any invoice submitted, as we do not issue payment confirmation.

## SETTLEMENT

The payment terms are 28 days from receipt of the invoice, related documentation and sufficient money required for settlement.

Initial charges are paid on the Friday of the next week, following the completion of the related transaction.

Ongoing charges are paid on the second working day of the month, for the month prior to the previous one. For example, charges for January will be paid on the second working day of March.

Any payments that are missed due to insufficient available cash will be paid in the period following receipt of funds.

If an adviser charge on a client's product is not paid within 90 days of the payment due date, in instances where there is insufficient cash available in the client's product bank account, the payment will be cancelled as will any future adviser charges set up on the client's product. Should this happen, we will require a new Adviser Charges Form to be signed by the client before we can facilitate any further adviser charges payments on that product.
