

Benefit Payment Form

Capped or Flexi-access Drawdown - For non-advised customers only

Explanatory notes

This form is to be used if:

- you wish to take benefits from your SIPP through a pension commencement lump sum and income drawdown (capped or flexi-access), AND
- you have not sought, or are not following, the advice of an FCA regulated financial adviser.

This form is not suitable if:

- you wish to take an uncrystallised funds pension lump sum payment (UFPLS) or purchase an annuity from your SIPP.
- you are only looking to change the level of pension income you are receiving.
- you are following the advice of your financial adviser.

If you are following advice from a regulated financial adviser, you should instead complete the **Benefit Payment Form for Advised Customers**, which is available from the literature pages of our website www.jameshay.co.uk.

If you do not have a financial adviser and would like to speak to one, you can find a list of regulated advisers in your area at www.unbiased.co.uk or by calling 0800 023 6868.

Investment Pathways

As you have not taken financial advice in relation to this request, you may not be fully aware of the options available to you when looking to taking money out of your pension. The FCA's 'Investment Pathways' framework seeks to provide you with general investment strategies that align with how you intend to access your pension over the next five years.

To learn more about how Investment Pathways could work for you, you can use the [Investment Pathways Comparison Tool](http://www.moneyhelper.org.uk) hosted by MoneyHelper at www.moneyhelper.org.uk. This guidance aims to make you aware of the drawdown choices you can make, and how your investment decisions can be tailored to fit with your financial goals.

Please note that James Hay does not provide financial advice, and does not offer Investment Pathways at this time; we would always suggest that you seek advice from a regulated financial adviser.

If you wish to use an Investment Pathway, you may be able to transfer to another provider of your choice without incurring a charge for transferring away (other charges may be applied by third parties depending on your existing investments and how you transfer them).

In addition to the tools offered by MoneyHelper, you can also access their **Pension Wise** guidance service.

Pension Wise - Accessing the Government's free and impartial guidance service

Pension Wise is a Government-backed service provided by MoneyHelper that offers people who are invested in defined contribution pension schemes and are approaching retirement free, impartial guidance about their choices. You can receive Pension Wise guidance online, over the phone or face to face.

Pension Wise provides tailored guidance to explain what options you have and help you think about how to make best use of your pension savings. It offers information about the tax implications of different options and other important things you should think about, as well as tips on how to get the best deal, including how to shop around.

Choosing what to do with your pension savings is an important financial decision and it is often possible to get more for your money by shopping around.

You can access Pension Wise on the [MoneyHelper website](http://www.moneyhelper.org.uk) or call either 0800 138 3944 or 0300 330 1003 (from outside the UK +44 20 3733 3495).

If you would like an appointment with Pension Wise to discuss the action you're considering, we can arrange this for you. Please provide your contact details in Section 2. Alternatively, you can book your own Pension Wise appointment by calling 0800 100 166.

IMPORTANT: Making decisions about your pension based on short term events, such as the Covid-19 pandemic, can have long term consequences for your financial wellbeing and retirement.

There are additional risks related to accessing your pension at this time. Below is a summary of some of the things you need to consider before accessing your pension savings.

Please read the information below, and confirm in Section 14 that you have considered and accept the additional risks.

<p>Are you accessing your pension to prevent further investment losses from market volatility due to Covid-19?</p>	<p>You will receive only the current value of your pension investments (which might have fallen recently), and this may be subject to further taxes, charges or deductions. Locking in this loss now means you might miss out on any future increases in value if markets recover, and could reduce how much money is available to generate the income you may need in later life.</p> <p>Before making any major decisions about your pension, you should take the time to get independent guidance or financial advice.</p>
<p>Did you know that you may be entitled to employment guidance and financial support, available from the government, if you are experiencing financial distress due to the impact of Covid-19?</p>	<p>The support available in these circumstances covers guidance on your rights to sick pay, and what benefits you can claim if you are self-employed or not entitled to sick pay. You can find this information on the MoneyHelper website.</p> <p>There is also a Debt Advice locator tool to help you find where you can go for appropriate debt advice.</p>
<p>Do you have access to other savings or income sources that you could access instead to avoid incurring any tax liabilities?</p>	<p>If you have other sources of finance, depending on what these are, there may be fewer long-term risks if you access those first.</p>
<p>Do you plan to make contributions to your SIPP, or any other pension, in the future?</p>	<p>If you flexibly access your pension now (as an Uncrystallised Funds Pension Lump Sum or through flexi-access drawdown), but you intend to save more into a pension in future, then you will continue to receive tax relief on contributions paid in up to age 75, but this will be capped to a maximum of £4,000 per year (known as the Money Purchase Annual Allowance).</p>
<p>Do you intend to access more than 25% of your pension pot?</p>	<p>You can normally take up to 25% of your pension pot tax-free. Depending on how you withdraw funds from your pension, the rest will normally be subject to income tax, and withdrawing large sums could move you to a higher income tax band.</p> <p>Taking the whole pot as cash will also result in a large tax bill, so you should always seek independent tax advice before taking any action.</p>
<p>Are you withdrawing money with the intention of investing in something that is being promoted as a special offer, pressuring you to act quickly, or is offering unusually high rates of return?</p>	<p>In times of crisis, pensions can become a target for illegal activities, scams or inappropriate investments. Scams take many forms and often appear to be legitimate investment opportunities.</p> <p>Regulators recommend four simple steps customers can take to protect themselves from pension scams:</p> <ol style="list-style-type: none"> 1. Reject all unexpected pension offers, whether made online, through social media or over the phone. 2. Check who you are dealing with before changing your pension arrangements. You can check the FCA Register or call the FCA helpline on 0800 111 6768 to see if the provider you are dealing with is authorised by the FCA. You should avoid dealing with unauthorised providers. 3. Don't be rushed or pressured into making any decisions about your pension. 4. Consider getting impartial information and financial advice before taking any action.

Our regulator, the Financial Conduct Authority, requires us to ask you questions regarding matters you should have considered before accessing your SIPP through drawdown.

Depending on your answers, we will write to you either:

- (1) with tailored risk warnings, giving you 14 days to consider them before proceeding with processing your benefit instructions (but will in the meantime proceed with any disinvestment instructions that are submitted on an 'Instruction to Trade Form' - Disinvestment instructions in Section 11 of this form will be processed once the benefit calculations are complete); or
- (2) to confirm that, given your answers, we will not be issuing any risk warnings, as you appear to have considered the relevant risks, and so we will proceed with processing your instructions.

Please answer ALL of the following questions, even if you are not immediately taking an income through drawdown.

- 1. Have you considered the state of your health and lifestyle when deciding the amount of money to take from your pension? For example if you are in good health, you need to consider that the income from your pension fund may need to support you for many years to come. Yes No
- 2. If you have a spouse, civil partner or dependants, have you considered how your pension fund could be used to provide for them after your death? Yes No
- 3. Over time, the effect of inflation means you can purchase less in the future than you can today with the same amount of money. Have you considered the effect of inflation on any money you take out of your pension? Yes No
- 4. You should consider what other companies can offer you, to ensure you are happy with the options available from James Hay and the charges payable, before proceeding. Have you considered alternative pension companies to take money out of your pension with? Yes No
- 5. Have you considered other ways of taking money from your pension other than income drawdown e.g. an annuity? If you are not sure what other options are available to you, you can find more information in the 'Your pension; your choices' leaflet available from www.jameshay.co.uk. Yes No
- 6. Do you have other income sources (outside of the money you intend to take from your pension) that are sufficient to currently provide you with your desired standard of living? Yes No
- 7. Will the money you are taking from your pension fund be your sole or main source of wealth in retirement? Yes No
- 8. Do you know that your drawdown income will be paid after deduction of income tax, and that it may affect your personal tax allowance? Yes No
- 9. Are you aware that if you put the money you take out of your pension in a bank, or buy other investments with it, you may have to pay tax on any growth? Yes No
- 10. Are you aware that once money has been taken out of your pension it becomes part of your estate for inheritance tax purposes? Yes No
- 11. Do you receive any means tested benefits from the Government? Yes No
- 12. Are you taking money out of your pension through flexi-access drawdown and intending to pay more money into your pension in the future? Yes No
- 13. Do you know that if you owe money to a creditor (e.g. via a personal loan) they cannot force you to take money out of your pension to pay off any money you owe to them? Yes No
- 14. Fraudsters increasingly target people to move their pension fund, and also once they have taken money out of their pension. You need to be careful when deciding where to invest your pension fund, and what you do with any money taken from it, as you could lose some or all of your money if you are the victim of a scam. Please read the FCA's **Pension Scams leaflet** and visit their website at www.fca.org.uk/scamsmart for further information.
Are you aware that pension and investment scams exist and what to look out for? Yes No
- 15. Are you aware that the amount of money you can take from your pension fund via income drawdown is not guaranteed and is based on a number of things? Yes No

If you are taking benefits before age 55, is this due to your ill health? Yes No

If **No**, please continue to Section 13.

If **Yes**, please submit with this form evidence from a medical practitioner that you are not only unable to carry out your current occupation but will not be capable of returning to that occupation. You will also need to read and agree to the below statement regarding explicit consent.

Please note: Under this form, we request full details (which may include special categories of personal data) about your health for the specific purpose of assessing (as part of our contract with you) whether or not to allow your request to take benefits early under the ill health rules. Also, we will keep a record of that personal data for seven (7) years after your product has closed. This is necessary for the purposes of showing to HMRC (if it so requests) the basis justifying or rejecting any ill health benefit payment to you. If we did not retain such records for that period and permitted a benefit payment, then it would risk a possible tax charge being levied against you because we would have no records of the evidence supporting a benefit payment under the ill health rules.

Explicit consent

I hereby give my explicit consent to the James Hay companies associated with my product(s) (listed in Appendix 1 of the Data Protection Statement – James Hay Products document) processing my personal data including any special categories of personal data as described above:

1. For the purposes of your assessment (as part of my contract with you) as to whether or not to allow my request to take benefits early under the ill health rules
2. To retain the personal data including any special categories of personal data for the period of seven (7) years after my product has closed for the purposes of showing to HMRC (if it so requests) the basis justifying any ill health benefit payment to me.

I hereby give my explicit consent by signing below:

I confirm that I have read the Covid-19 additional risks and considerations on page 2.

I accept it is an offence to make false statements and that the penalties are severe and could lead to prosecution

I acknowledge and accept the terms of this agreement and I also accept that the services provided under it do not extend to financial, investment or tax advice.

Cancellation rights – for first designation under flexi-access drawdown only

When you first elect to take income withdrawals from your pension fund, we will offer you the right to change your mind and cancel your election to take income withdrawals within 30 days of us accepting your request. If you do this, you will need to send us the cancellation notice, along with any pension commencement lump sum and income you may have received.

Where you are opting to take your benefits in stages you will only receive a cancellation notice when you start your first tranche of benefits.

If we are instructed to re-invest the returned pension commencement lump sum and/or income in the same investments which the money originally came from, you may receive fewer units/shares because of transaction costs or movements in prices.

For more information about this, please refer to the 'Key Features Document' for the James Hay SIPP product you have.

Requirements to pay benefits

Before benefit payment can commence, we require the following (if applicable):

- the full transfer value and associated information of any transfers made into your SIPP
- the re-registration of any assets being transferred in-specie to be complete
- any contributions to your SIPP to be reconciled
- if applicable, HMRC certificate showing any enhancement to the standard lifetime allowance
- evidence of age
- evidence of your name and address (money laundering verification).

If a property is held within the SIPP

- We require a Red Book valuation, produced in accordance with the relevant sections of the current Royal Institution of Chartered Surveyors (RICS) Professional Standards, dated within 12 months, or a Desktop valuation of the property produced between 12 months and 24 months after a Red Book valuation. A Desktop valuation is valid for up to 12 months after the date of the last Red Book valuation.

Pension commencement lump sum

- The maximum pension commencement lump sum available will normally be up to the lower of 25% of the pension fund being used, and 25% of the remaining standard lifetime allowance.
- The pension commencement lump sum has to be taken as a lump sum in advance and cannot be taken monthly.

Income payments

- Income is always paid on a set date of the month. The set date depends on the product you hold. Please refer to the 'payroll cut-off dates' page on our website at www.jameshay.co.uk for details.
- If you wish to start taking an income from your SIPP, you must notify us at least 15 business days before the date the first income payment is to be made.
- If you wish to vary the amount of income you receive, you must notify us at least 10 business days before the date the change is to come into effect.
- If you are in partial drawdown and wish to take income from your remaining uncrystallised fund, you must notify us at least 15 business days before the date the change is to come into effect.

Note: The 'date the change is to come into effect' is always the set date of the month that income is paid for the product you hold.

Your bank account details

The bank account to which your income and/or pension commencement lump sum is paid must be held in your name (joint accounts are acceptable). The account must also be able to accept Faster Payments and CHAPS payments.
