Important: If you have enhanced or fixed protection, any contribution made to this SIPP means you will lose this protection. You should speak to your financial adviser.

Please tick one option only:

- i. I have relevant UK earnings chargeable to income tax, or general earnings from overseas Crown employment subject to UK tax, in this tax year.
- ii. I am, or have been, resident in the UK at some time during this tax year.
- iii. My spouse or civil partner has for this tax year general earnings from overseas Crown employment subject to UK tax.
- iv. I am, or my spouse or civil partner is, in overseas Crown employment but for this tax year do/does not have general earnings from overseas Crown employment subject to UK tax.
- v. I was resident when I became a member of the SIPP and have been resident in the UK at some time during five tax years immediately before this tax year.
- vi. None of the above.

If you have ticked (i) or (ii), we will reclaim basic rate tax on your personal contributions. If you are liable to income tax at a rate above basic rate, you will be able to claim any additional relief from HM Revenue and Customs (HMRC) either through your self assessment return or, if you do not complete one, by contacting HMRC.

If you have ticked (iii), (iv) or (v), we will reclaim basic rate tax on your personal contributions up to £3,600 gross.

If you have ticked (vi) or have not completed this section at all, we will not be able to determine if you are entitled to have basic rate tax reclaimed on your personal contribution and so will not be able to reclaim this.

Residency

If you are a Scottish resident (as determined by HMRC) your tax rate may differ.

For example, you may be liable to income tax at no more than the Scottish starter rate of 19%. For the 2020/21 tax year we will still claim tax relief of 20% where applicable. HMRC has stated that it will not recover the difference between the Scottish starter rate and the Scottish basic rate for the 2020/21 tax year.

If you are liable to income tax at a rate above the Scottish basic rate of 20%, you will be able to claim the additional relief from HMRC either through your self assessment return or, if you do not complete one, by contacting HMRC.

The Welsh government has the power to amend the rate of income tax paid by Welsh residents, and if they do, this may impact the amount of tax we can reclaim on contributions made by Welsh residents. The Welsh government has indicated that they will not amend the rate of income tax for the 2020/21 tax year.

Please state the net amount that you would like to pay into your SIPP. If, as per Section 2a, we are able to reclaim basic rate tax on your personal contributions, this tax amount will be added to your stated net contribution amount. Please therefore note that the gross figure (the net amount you are contributing plus the value of any tax reclaim) is the figure used to calculate against your annual allowance or money purchase annual allowance.

Important: If your contributions in respect of a tax year exceed the annual allowance (£40,000³ for the 2020/21 tax year), then you may be subject to an annual allowance tax charge. It is possible for unused annual allowance to be carried forward for up to three years. You should speak to your financial adviser about this.

³ If you have adjusted income (that is your total income before the deduction of personal allowances or reliefs) of more than £240,000 per annum, your annual allowance will be reduced by £1 for every £2 of income above £240,000 with a maximum reduction of your annual allowance to £4,000.

- Legislation requires James Hay Partnership to monitor payments into a personal pension scheme by employers from their own bank account in respect of the employee, or on behalf of the employee out of deductions from the employee's earnings. The legislation also states that the employer must specify the 'Due Date' for such payments. This information is detailed in Section 2f of the application form.
- For payments deducted from an employee's earnings, the due date these payments must be received by James Hay Partnership is the 19th of the month after the end of the calendar month in which the contributions were deducted from the employee's pay. For example if the deduction from the employee's salary is 29 April then the due date is 19 May.
- The employer must make sure that the payments are correct and paid on time. By law, James Hay Partnership must monitor the payments to ensure they are made on time using the Employer's Payment Record information provided.
- We must tell The Pensions Regulator if payments are missed or received late. The employer may be fined by The Pensions Regulator if late or incorrect payments are made.
