Correct as at 13/04/2021 17:54:40

This brochure is intended for Clients with Financial Advisers and should not be distributed to or relied upon by any other person.

James Hay Partnership's Wrap Investment Centre offers a simple way to invest in collective funds within James Hay products. James Hay Partnership relieves the administrative burden normally associated with dealing in Unit Trust and OEICs. There is no requirement to deal with individual fund managers - instead James Hay Partnership will:

- Allow Multi-Manager strategy with single point of contact
- Carry out investment instructions on your behalf
- Hold all records of your investments
- Carry out reconciliations
- Provide consolidated investment reports
- Pay initial adviser charges to your Financial Adviser (if applicable)

Adviser Charging (applicable to Clients with Financial Advisers only)

Initial Adviser charging is available up to a maximum of 5%. James Hay Partnership must hold sufficient authority on file from the client to pay the level of adviser charge requested. Adviser charges will be deducted from the amount sent to the fund manager to be invested. Any recurring adviser charging is payable at the product level and not on the individual funds.

Rebates

The Fund Manager may rebate part of their standard Annual Management Charge (AMC) to us. We will use that rebate to purchase extra units in the fund, which will be credited to the product bank account and will be reflected in the relevant holding's transaction history. There may be exceptional circumstances, as permitted by regulation, when we will apply a rebate as cash to the product Bank Account.

Fund Charges

The Wrap Funds List provides confirmation of the main charges for investing into each fund.

Where the fund manager has provided the Total Expense Ratio (TER) and/or Ongoing Charges Figure (OCF), this will be disclosed in the Funds List. Both the TER and OCF show the overall total charge for investing in a fund and include the transaction charges for the buying and selling of investments within the fund. Please note that the TER and OCF may be different in certain circumstances. For further information on these charges please refer to the fund manager literature.

If a fund's OCF or TER is quoted as -, James Hay Partnership does not currently hold this information. Please contact the fund manager for details.

Additional charges can be levied by the fund managers. The pricing basis of the fund may also result in the initial level of investment being reduced. Details of the different pricing of Investment Centre funds can be found in the Key Features of the James Hay Investment Centre, available from www.jameshay.co.uk.

Please make sure you are aware of all potential charges before investing. You can find out more by contacting the fund manager, or by accessing key fund literature such as fund fact sheets and KIIDs, available through James Hay Online.

Minimum investment

The minimum individual investment is £1 per fund. This includes additional investments.

Switches

James Hay Partnership provides a switch facility. If you wish to change from one fund to another with the same fund manager or from one fund manager to another for single or multiple funds, simply send a switch instruction through James Hay Online. You will need to sign up to use James Hay Online using the appropriate online registration process found on our website at www.jameshay.co.uk/portal. Other forms of email instructions are not acceptable.

The information concerning the funds has been provided to us and verified as correct by the third parties, and James Hay Partnership in reproducing this information have relied upon such verification.

For further information, please call your Account Executive or James Hay Partnership on 03333 206 183.
